

EveryMatrix este o companie independenta, multinationala, concentrata pe producerea de software de cea mai inalta calitate, destinat industriei de iGaming. Compania a fost fondata in 2008, avand peste 190 de angajati si sedii in: Bucuresti (Romania), Londra (Marea Britanie), Copenhaga (Danemarca), Changsha (China), Lviv (Ucraina) si St. Julians (Malta); plus un nou sediu in dezvoltare in New York. Solutiile software oferite de EveryMatrix sunt disponibile in peste 15 limbi, produsele noastre adaptandu-si specificatiile in functie de cerintele pietei. EveryMatrix isi imbunatateste si dezvolta produsele, adaugand noi produse de gaming si feature-uri in functie de clientii cu care interactioneaza. Pana in prezent, avem mai mult de 70 integrari API in platforma noastra de gaming, GamMatrix, jocuri de casino, poker, live dealer si mult mai multe. Inca de la infiintare, compania este castigatoarea multor premii de prestigiu in industria de iGaming:

- EGR 2013 Award – White Label Partner of the Year
- EGR 2011 Award – Sports Betting Rising Star
- EGR 2010 Award – Innovation in Sports Betting
